# COMPUTER SCIENCE RESEARCH OPPORTUNITY

The International Journal of Secondary Computing and Applications Research (IJSCAR) is excited to announce its first-ever scholarship opportunity for high school researchers!
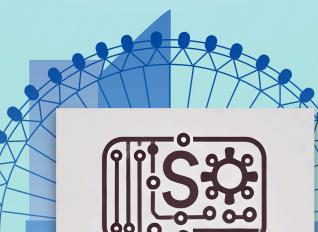

**Who Can Apply?**
High school students conducting research in computing and computing applications.

**What to Submit?**
An extended abstract (max 2 pages). Your submission must be unpublished work and not under submission elsewhere. All submissions will be kept private so you can still publish your work later. All submissions receive a 10% discount for full paper publication fees, if you publish with IJSCAR in the future.

**Winner Receives a $500 Scholarship**
